SAI Service Provided	Description
Social Fingerprint Supply Chain	
<p>Social Fingerprint® Supply Chain Management Self-Assessment</p> <p>Social Fingerprint® Supply Chain Management SAI Evaluation & Benchmarking and Improvement</p>	<p>2-year cycle:</p> <ul style="list-style-type: none"> SAI interviews 3-4 key staff from multiple departments to evaluate your company's supply chain management performance. The evaluation includes a detailed improvement plan and regular progress discussions and support. Your company receives a report benchmarking your performance against other Social Fingerprint participants. SAI produces a generic public report on member progress biannually..
Pooled Projects	
<p>Collaborate with other members for joint custom projects leveraging SAI expertise and thought leadership.</p>	<p>Your company will benefit from larger projects—funded by pooling member fees—that benefit all corporate members and contribute to the field.</p> <p>Example: In 2015-2016 pooled funds allowed SAI to adapt the TenSquared curriculum for China and India.</p>
Custom Project	
<p>(Size of project based on fee paid)</p>	<p>Leverage SAI's expertise to design a custom program targeting one or more aspects of your company's social performance.</p>
