

# SA8000:2026 Standard for Decent Work

## Supplemental Definitions

This document provides supplemental information for interpreting the SA8000:2026 Working Draft. These definitions are not part of the Standard and are not normative. They are provided as guidance to support understanding of the Standard’s intent.

## Supplemental Definitions

1	<b>Adequate(ly), appropriate(ly), fair, reasonable, timely, unduly:</b> Where these terms are used in the Standard, it is expected that the organization’s actions and processes sufficiently address the relevant risk, based on the organization’s context. The relevant risk will always be related to this Standard.
2	<b>Agency:</b> An employee's sense of control and power over their own actions and decisions including at the workplace and in their employment, and their ability to make independent choices, take initiative, and actively influence their lives.
3	<b>Collective Bargaining:</b> <sup>1</sup> All negotiations that take place between an employer, a group of employers or one or more employers’ organisations, on the one hand, and one or more workers’ organisations, on the other, for: <ul style="list-style-type: none"> <li>a) Determining working conditions and terms of employment; and/or</li> <li>b) Regulating relations between employers and workers; and/or</li> <li>c) Regulating relations between employers or their organisations and a workers’ organization or workers’ organizations.</li> </ul>
4	<b>Documented Information:</b> Information that must be controlled and maintained by an organization, and the medium on which it is contained, in any format and from any source. Documented information is used to communicate, share knowledge, and provide evidence of what has been done in relation to demonstration of compliance. It includes relevant policies, procedures, data, and records. <sup>2</sup>
5	<b>Due Diligence:</b> A comprehensive and proactive process to identify, prevent, mitigate, and account for the actual and potential adverse impacts that an
